Death Of A Dog

Action	Procedure
Contact Owner	In the event of death, the owner (or emergency contact, if owner not available) will be contacted.
Contact VET	The registered or local veterinary practice will be contacted and the dog will either be collected by them or taken to them by the service provider.
Storage	The dog will be double bagged and stored in a locked building until the owner/emergency contact or the local VET are able to collect the dog. All dogs will be removed from area and their owners will be informed.
