

# Fenn Breeze Doggy Day Care

## Weather and Isolation Policy

To comply with the Animal Welfare (Licensing of Activities involving Animals) Regulations 2018, we have policies and procedures in place to ensure the welfare of all dogs during any extreme weather conditions and isolation procedures.

### Weather

Action	Procedure
Extreme Heat.	Ventilation is provided by an outdoor covered area, windows and doors open to circulate cold air, the use of an industrial air fan.
Extreme Cold.	The main area is a concrete insulated structure, heaters are installed, but in severe cold dogs will be moved into central heated house.

### Isolation

Action	Procedure
Infectious Dog.	To be isolated in the separate kennel or in house, owner to be contacted.
Behaviour problem.	To be isolated in the separate kennel (if available) or separate isolation pen or in the house.
Puppy.	Under 1 years to be kept in isolation pens with plenty of stimulation and within view of other dogs.
