Transportation Policy

To comply with the Animal Welfare (Licensing of Activities involving Animals) Regulations 2018, we have policies and procedures in place to ensure the safe transportation of dogs, to ensure they are protected from any pain, suffering, injury or disease

Action	Procedure
Vehicle Used	Service provider's vehicle.
Vehicle	The vehicle is properly ventilated for safe travel.
Emergency Transport	Emergency contact's vehicle or Service provider's vehicle.
Housing of dogs during transport	Air conditioning and open windows in warm weather as roof vent, heaters and blankets in cold weather.
Cleaning	Vehicle disinfected after each collection or delivery, and a full disinfected clean weekly.
Minding of dogs	Dogs will only be left in vehicle for a few minutes while service provider picks up or drops off other dogs, vehicle will be parked in shaded area where possible in warm weather and also side doors or rear doors left open while dogs are left in securely locked cages (only if necessary).
Hydration of dogs while in transport	A water container and bowls will be stored in vehicle.
Toilet Breaks	Dogs will not be transported for long distances, but will in any case receive toilet breaks before and after any necessary transport. Should it be required to transport for longer journeys regular hourly toilet breaks will be provided.
Vehicle Records	Service Provider's Vehicle has an on board log book, recording collection and drop off details.
